ΑΝΑΚΟΙΝΩΣΗ ΘΕΣΕΩΝ ΕΡΓΑΣΙΑΣ

Το Γραφείο Διασύνδεσης Πανεπιστημίου Πειραιώς σας ενημερώνει για την ακόλουθη θέση εργασίας:

SOFTWARE DEVELOPER (Oracle SOA)

(ref: SDA/09/12) Athens, Greece

EUROPEAN DYNAMICS (www.eurodyn.com) is a leading European Software, Information and Communication Technologies company, operating internationally (Athens, Brussels, Luxembourg, Rome, Copenhagen, Berlin, Stockholm, London, Nicosia, Helsinki, Valetta, etc). The company employs over 500 engineers and IT experts. We design and develop software applications using integrated, state-of-the-art technology. Our current IT projects have a value exceeding 250 million EURO. EUROPEAN DYNAMICS is a renowned supplier of IT services to European Union Institutions, international organizations, European Agencies and national government Administrations all over Europe.

We currently have a vacancy for a **Software Developer fluent in English.** The work will be carried out either in the company's premises or on site at the customer premises. In the context of the first assignment, the successful candidate will be integrated into the Development team of the company that will closely cooperate with a major client's IT team on site.

Your tasks:

- **Facilitate and actively participate in all phases of the system development life cycle, to include requirements gathering and analysis, system design and development, testing and implementation;**
- **Develop and adhere to project standards in order to ensure the delivery of quality deliverables;**
- **Develop and maintain programs, reports, forms and workflows;**
- **Produce technical documentation according to requirements.**

Your skills:
Candidate should hold a University degree in Computer Science or equivalent academic qualifications in the area of Information Technology and have minimum 2 years experience in software development, systems analysis or programming, or related IT field.
He/she should be able to demonstrate practical experience and/or academic qualifications in the fields below:

- Oracle SOA Suite (including Oracle Service Bus, Jdeveloper), relevant certificates will be considered a strong asset;
- Development experience with the use of Drupal / PHP;
- Oracle Weblogic Suite;
- Oracle ADF.

Our offer:

If you are seeking a career in an exciting and dynamic company, where you will offer your services as part of a team of a major European Institution, operating in an international, multilingual and multicultural environment where you can expect real chances to make a difference, please send us your detailed CV in English, quoting reference: **(ref: SDA/09/12),** to the following e-mail address: hr@eurodyn.com.

We offer an extremely competitive remuneration and benefits package, based on qualifications and experience. All applications will be treated as confidential.

You may also consider all our other open vacancies by visiting the career section of our web site (**www.eurodyn.com**).
