

Out There Media is an international leader in Mobile Advertising and Data Technology. We are working with the world's leading mobile operators such as Telenor Group, Starhub, Smart, Axiata Group, Zain, etc as well as Fortune 500 brands such as Unilever, P&G, Nestle, L'Oreal, Coca Cola, PepsiCo, Friesland Campina etc. and their agencies such as Mindshare, Mediacom, MEC, Maxus, Starcom, OMD, Havas among others. For our clients we design, manage and execute mobile advertising campaigns that reach the right audience in a perfectly targeted, effective and engaging way directly on their mobile phones. We do so via our own technology platform "Mobucks". The company is based in Vienna, Austria and has further offices in Athens, Greece and Singapore.

We are growing our business and are therefore looking for a highly motivated individual to join our team as a:

Junior Developer

OVERVIEW AND RESPONSIBILITIES
