

Back-end Web Developer

Vivante Health is looking for a back-end developer with a deep understanding of RESTful APIs, object oriented programming model and databases. Responsibilities will include design and development of new features, extensive testing and documenting the code. You will also have to cooperate and work with the other members of the team.

What you will be doing:

- Develop new features on an existing API
- Build reusable code and libraries for future use
- Ensure the technical feasibility of UI/UX designs
- Optimize application for maximum speed and scalability
- Collaborate with other team members and stakeholders

Skills we are looking for:

Education

- BS/BA in Computer Science or related area
- Self motivated learning (workshops, open source contribution, on-line courses)

Technical

- Strong experience with PHP 5 (or newer) using frameworks or MVC
- Experience working with RESTful services or HTTP semantics
- Knowledge on RDBMS (PostgreSQL, MySQL)
- Experience using version control systems (preferably git)
- Comfortable working on GNU/Linux or UNIX like environment

Functional (good to have)

- Good knowledge of English especially writing
- Strong organizational skills to juggle multiple tasks within the constraints of timelines
- Ability to work and thrive in a fast-paced environment, learn rapidly and master diverse web technologies and techniques
- Basic knowledge of how the Scrum Framework works

Salary : negotiable depending the skills.

Job Type: Full-time

Required experience:

- PHP: 3 years
- git: 1 year
- SQL: 3 years
- Any php framework: 3 years
- RESTful services: 1 year

Required language: English

Vivante Health (<https://vivantehealth.com>) is an innovative healthcare company that addresses the needs of people with invisible, neglected, and stigmatized chronic diseases, starting with digestive diseases. We are looking for passionate and talented team mates that want to make significant contributions to people's lives. We offer a working environment which is hard driving but flexible.

Our offices are located in Athens. We are open to interview developers that at present live in Thessaloniki and are willing to relocate at a reasonable time.

If you are interested in working with us, please send your curriculum vitae (resume) at people@vivantehealth.com.
