

Start2Grow: Your Sales Career

Boost your career with HP's Start2Grow Graduate Sales Career Program

Best-in-class onboarding program

Personalized career path

Exciting international environment

Magic peer coach

Stimulating innovation culture

Great networking opportunities

“I started my career at HP as a graduate in 2001. During my time in HP I have been fortunate enough to move across many different roles in Marketing, Sales Operations, Channel Sales, and Strategy & Planning, as well as working in UK, France & now Switzerland. We’re now looking for the next wave of leaders for HP Inc to take our company forward. So if you have a passion for technology & customers, and want to be a part of our future, why not apply now?”

Mark Hibbert
CEMA Program Management
Office, Chief of Staff

We are looking for tomorrow's leaders. Apply now!

Our Mission: Engineer experiences that amaze

Your role as an active member of the CEMA Sales team is to take our customers and partners business to the next level with HP products and solutions.

Your teammates are adventurous, highly motivated and from all over from all over Europe, Middle East & Africa. Various internal organizations will allow you to easily network and feel part of HP's great team: Young Employee Network, Woman's Network, Sport & Leisure Club and more...

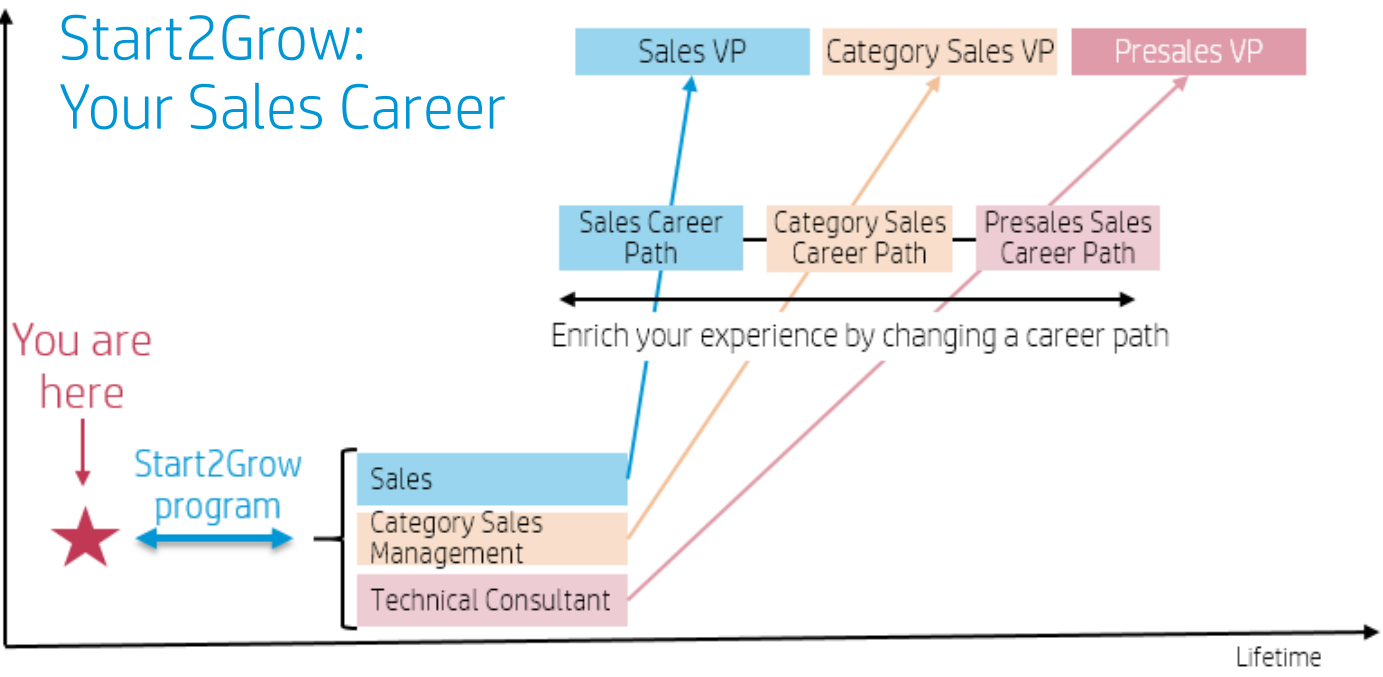

Your development starts with extensive onboarding, followed by creating your own development plan to shine, including-sales and leadership trainings, on-the-job stretches, feedback sessions, and coaching with world class IT leaders!

And you will have fun!

We truly believe that having fun at work is a key element to achieve great results. So be ready for some entertainment!

Where would you take your career?
