

iOS Mobile Developer

We are looking for teammates that are passionate about changing people's lives, by providing these people and their families with the support and tools and to make significant impact on the quality of their lives. We are a young company that is harnessing the talent and passion of our team in Greece by "Made in Greece."

The position is open immediately.

What you will be doing:

- Implement features for our iOS Application
- Maintaining our existing iOS Application
- Testing our application against technical issues and fixing them

Skills we looking for:

Self motivated learning (workshops, open source contribution, online courses)

Technical

Must have

- Good understanding of RxSwift
- Good understanding of Realm Mobile Database
- Good understanding of network operations
- Good understanding of MVVM architecture
- Good understanding of iOS Human Interface Guidelines
- Good understanding of Swift

Good to have

- Experience with Git
- Experience with Objective-c
- Familiar with various open source technologies like Alamofire, Texture(former AsyncDisplayKit), SnapKit, LayoutKit, Cartography
- Familiar with iOS unit tests.

Functional (good to have)

- Good knowledge of English especially written
- Strong organizational skills to juggle multiple tasks within the constraints of timelines

- Ability to work and thrive in a fast-paced environment, learn rapidly and master diverse mobile technologies and techniques
- Basic knowledge of how the Scrum Framework works
- An active Github repository (or portfolio) is a big plus

Salary: Negotiable depending on the skills

Vivante Health (<https://vivantehealth.com>) is an innovative healthcare company that addresses the needs of people with invisible, neglected, and stigmatized chronic diseases, starting with digestive diseases. We are looking for passionate and talented team mates that want to make significant contributions to people's lives. We offer a working environment which is hard driving but flexible.

Our offices are located in Athens. We are open to interview developers that at present live in Thessaloniki and are willing to relocate at a reasonable time.

If you are interested in working with us, please send your curriculum vitae (resume) at people@vivantehealth.com.
