- ◆ Be responsible for the preparation & execution of Test Plans, Test Scripts & Test Cases
- ◆ Document defects, report problems found and work closely with our Development team for their resolution..
- ◆ Support client's acceptance tests.
- ◆ Produce User Manuals, Product Release Documentation, Application Training Material and Deliver Application Trainings

### **REQUIREMENTS**

#### Requirements - Who are we looking for?

- ◆ A talented professional, passionate about quality and with a great attention to detail.
- ◆ A self-motivated, customer orientated individual with strong analytical thinking & problem solving skills. One who can apply proper judgement and take decisions for the benefit of our Customers.
- ◆ A strong organizer who can prioritize tasks & achieve goals, while meeting challenging schedules.
- ◆ A team player who can create consensus whilst also challenging ideas & assumptions.
- ◆ Availability to travel abroad, for the implementation of challenging projects in countries of all 5 Continents!

#### Requirements – What do your qualifications look like?

- ◆ Bachelors' degree in IT Studies
- ◆ Excellent command & usage of English and Greek (written & verbal)
- ◆ Prior experience in quality assurance testing will be considered a plus

### **BENEFITS**

#### What do we offer?

We have a passion for our people and show it to them:

We want them to grow: We have a Career Development Framework in place that provides our People with developmental opportunities within our Company.

We want them to be happy & ask them: We launch regular satisfaction surveys & take actions!

We want them to be well: We offer a Life & Health insurance plan a Group Medical & Life insurance with a credible international Insurance Company.

We wish that they stay with us for long: We pay not only according to company results and team/individual performance, but also according to tenure with our Company.

We want them to enjoy themselves: We have an Employees' Club which organizes social & athletic activities.

We offer a team oriented working atmosphere in our modern and functional facilities which make everyday life at the office truly enjoyable! Our offices are in the southern Attica suburbs with a convenient location for both those who use public transportation (bus & tram) and travel with their own vehicle.

If you are a talented professional and excited by the challenge of helping Advantage FSE contribute to the transformation of financial services technology for our Clients' benefit, we encourage you to explore career opportunities with us.
