

MY MARITIME CAREER

Dear Shipping & Business Student, Marine Cadet & Entry Level,

Are you looking for an internship, apprenticeship, sandwich course or entry level job?

Sign up & Register

on SHIPPING's 1st ONLINE CV PLATFORM (since 2015), created especially for you by PROJECT CONNECT, the non-profit organization, which helps "jump start" careers in Shipping, for a decade now.

www.project-connect.gr → **Candidates** → **Info & Sign Up**

Just follow all the pre-screening registration procedures online. Let us get to know you, connect you to the Greek Shipping World and put you on the path to employability, in Greece, where your talent is needed. We have freely helped numerous "young professionals in-the-making" in their first steps to prepare themselves, for the opportunities ahead. Many are currently enjoying rewarding positions in shipping offices in Greece and abroad.

It is a "chicken and egg" cycle story.

Employers hire youth with work experience, but few offer that first chance to gain it.

PROJECT CONNECT's Shipping executives and owners' membership provide work experiences

for eager, willing, and capable young people.

They and their teams welcome teaching you the ropes and develop skill sets.

Our Members appreciate that you are the next generation workforce.

Become a PROJECT CONNECT Student Member now.
