

# adidas Career Workshop

Empowering future professionals to achieve their career goals.

## FAQ

### What is the adidas Career Workshop?

This is a dynamic, interactive session designed to equip university students and young graduates with the tools and confidence to navigate today's competitive job market.

### Who can benefit from this session?

- University students preparing for internships or graduate roles.
- Recent graduates seeking to enhance their employability skills.
- Anyone eager to learn practical tips for standing out in job applications.

### What's included?

Our workshop is offered free of charge to all universities in Greece and it covers two key areas:

1. CV Building: Learn how to create a professional CV that gets noticed.
2. Interview Training: Master interview techniques and the STAR method to impress recruiters and hiring managers.

## FAQ

### Why host the adidas Career Workshop?

This workshop provides students with:

- Insider insights from adidas Talent experts.
- Career advice tailored to the needs of young future professionals.
- An engaging and memorable learning experience.

### What do we need from the University/Education institution?

- ✓ A room to accommodate 50-150 participants (depending on the size of the audience)
- ✓ Projector or screen to display our presentation
- ✓ Microphone (if the room/audience is large)
